

***Irish Maritime Law Association
National Branch of the Comite Maritime International***

2017 Biennial Seminar

Gibson Hotel Dublin 1 - Friday May 19th 2017

The Irish Maritime Law Association is delighted to bring together high profile National and International speakers to address the Market on current challenges in the Maritime Industry for Lawyers, Shipowners, Port Operators, Insurers and those involved in the wider Maritime Transport logistics chain.

Post Brexit Europe, increased Political volatility and the constant focus on the cost of Dispute Resolution are today a backdrop to some of these challenges.

Join us !!! in a fascinating programme.
